SPANISH STREET NAMES IN SONOMA

ACTIVITY

After finding the street names in the puzzle, translate them into English. Are any familiar names? Where did you hear them before? On a map (paper or digital), locate the Spanish street names from the puzzle. Are they near or far from the Plaza? Can you find Spanish street names not included in the puzzle?

FUN FACT

When Mariano Vallejo mapped our pueblo (town) and named the streets, he named the street in front of his home after himself – Calle de Vallejo. Today it's Spain Street. Why do you think it's called that?
